# *Sastry Karra's Astrological Series*

## **About myself**

Born in Amalapuram, E.Godavari District, A.P, Sastry Karra grew up in Hyderabad, A.P.

My father (Late) Karra. Venkata Rao, uncles and grandfather were all well versed in vedic astrology. It was my family tradition to provide predictions using vedic astrology for “Free”.

At the age of 16, I showed interest in astrology, learnt the basic calculations and then predictions from my grandfather.

Being an IT professional, I developed my own software that performs the standard planetary calculations, different types of dasa calculations and validates hundreds of yoga combinations mentioned in various classical texts.

I am currently residing in New Jersey, USA and spend my free time by providing free predictions using Social Media viz. Facebook.

I also wrote some articles explaining the techniques used for predictions and they are easily available for free in scribd.com website.

# Sastry Karra's Astrological Series

## Introduction

In UttaraKalamitra, Sloka 19 states that: **The full Moon, Jupiter, Saturn are termed Chhadakas for the two houses (2nd and 12th) adjacent to each of them.**

**Exception: If Jupiter is residing in its OWN house, he will be a Chhadaka for the 12<sup>th</sup> house only.**

According to Bhrigu Sarala Paddhati (BSP), Saturn spoils/destroys the house next to its Natal Position. Also, according to an article published on Internet, Jupiter spoils one of the bhava characteristics of the house next to its natal position. Thus, what Kalidas stated in UttaraKalamitra was partially stated by Sage Bhrigu too.

In this article, I will be analyzing few charts emphasizing the importance of **Chhadakas** in one's Rashi chart for the two slow moving planets Jupiter & Saturn.

The power of Chhadakas will be clearly visible during Jupiter and Saturn Mahadasa's. Also, during the Mahadasa of the Chhadakas house lord and Antar-dasa of Jupiter & Saturn, the impact can be noticed.

# *Sastry Karra's Astrological Series*

## **Example 1: Lord Rama, 6<sup>th</sup> Incarnation of Lord Vishnu (Hinduism).**

According to Sage Valmiki's classical mythological text, he annotated the birth of Lord Rama as follows:

“On completion of the ritual six seasons have passed by and then in the twelfth month, on the ninth day of Chaitra month [April-May,] when the presiding deity of ruling star of the day is Aditi, where the ruling star of day is Punarvasu, the asterism is in the ascendant, and **when five of the nine planets viz., Sun, Mars, Jupiter, Saturn, and Venus are at their highest position, when Jupiter with Moon is ascendant in Cancer**, and when day is advancing, then Queen Kausalya gave birth to a son with all the divine attributes like lotus-red eyes, lengthy arms, roseate lips, voice like drumbeat, and who took birth to delight the Ikshwaku dynasty, who is adored by all the worlds, and who is the greatly blessed epitome of Vishnu, namely Rama. [1-18-8, 9, 10, 11] “. Ref:

[http://www.valmikiramayana.net/bala/sarga18/bala\\_18\\_frame.htm](http://www.valmikiramayana.net/bala/sarga18/bala_18_frame.htm)

Thus, astrologically speaking, **Sun, Mars, Jupiter, Saturn, and Venus are in exalted positions and Moon is in Cancer.**

|    |                                                                                     | Sa |          |

In this chart;

- Jupiter is in 1<sup>st</sup> house, owning 6<sup>th</sup> and 9<sup>th</sup> houses. Thus the **Chhadakas** for Jupiter are 2<sup>nd</sup> and 12<sup>th</sup> houses.
- Saturn is in 4<sup>th</sup> house, owning 7<sup>th</sup> and 8<sup>th</sup> houses. Hence, Saturn became a Maraka for this native. Thus the **Chhadakas** for Saturn are 3<sup>rd</sup> and 5<sup>th</sup> houses.

Overall, for this native, **the houses that have a “major” impact in his life are 2<sup>nd</sup>, 3<sup>rd</sup>, 5<sup>th</sup> and 12<sup>th</sup> houses.**

**All those who are familiar with this mythological story can relate how these houses are being spoiled or destroyed.**

In this chart;

- Jupiter is in 1<sup>st</sup> house, owning 5<sup>th</sup> and 8<sup>th</sup> houses. Being 8<sup>th</sup> house lord, it became a Maraka too. Thus the **Chhadakas** for Jupiter are 2<sup>nd</sup> and 12<sup>th</sup> houses.
- Saturn is in 11<sup>th</sup> house, owning 6<sup>th</sup> and 7<sup>th</sup> houses. While 6<sup>th</sup> house is Roga-stanam, 7<sup>th</sup> house also deals with death. Thus the **Chhadakas** for Saturn are 10<sup>th</sup> and 12<sup>th</sup> houses.

Overall, for this native, **the houses that have a “major” impact in his life are 2<sup>nd</sup>, 10<sup>th</sup> and 12<sup>th</sup> houses.**

# Sastry Karra's Astrological Series

Second House :- With Mars residing in 2<sup>nd</sup> house, owning 9<sup>th</sup> and 4<sup>th</sup> houses, Jupiter being 8<sup>th</sup> house lord, clearly indicates that the nature of death will be very violent. Jupiter on house owns Mars's 4<sup>th</sup> aspect, thus there is a strong relationship between Mars & Jupiter pertaining to the Second house results.

Also, 2<sup>nd</sup> house deals with Kutumbha-stanam, having afflicted, and made the native to start a family with inter-religion & inter-race marriage.

Tenth House :- Tenth house deals with “**Profession, relationship with state and administration, primary activities for sustaining oneself, status in life, honor from the public** “. With Venus being lord of 10<sup>th</sup> house, residing in 1<sup>st</sup> house and getting 3<sup>rd</sup> aspect from Saturn, there are possibilities for more ups-and-downs in native's career. Based on this chart, in my opinion, the native got an opportunity to be the leader only because of his family background and Sun, Jupiter & Mercury residing in 1<sup>st</sup> house along with 10<sup>th</sup> house lord Venus.

Twelfth House :- With Moon being lord of 12<sup>th</sup> house, residing in 1<sup>st</sup> house and Rahu in 12<sup>th</sup> house, Saturn & Jupiter spoiling the characteristics of this house is very highly noticeable. Twelfth house also deals with “**loss of authority, imprisonment, distant travel, foreign land, emigration, loss in travel, paternal property**“, while most of these were noticed in native's life.

# Sastry Karra's Astrological Series

Death Analysis :- Native's death occurred during

**Rahu/Mercury/Moon/Mars/Mercury** period. Rahu is in 12<sup>th</sup> house, Moon being the lord of 12<sup>th</sup> house. Mars is residing in 2<sup>nd</sup> house and Mercury is lord of 2<sup>nd</sup> house. Thus the impact of Chhadakas of Saturn & Jupiter is clearly visible.

In this chart;

- Jupiter is in 11<sup>th</sup> house, owning 6<sup>th</sup> and 9<sup>th</sup> and houses. Thus the **Chhadakas** for Jupiter are 12<sup>th</sup> and 10<sup>th</sup> houses.
- Saturn is in 1<sup>st</sup> house, owning 7<sup>th</sup> and 8<sup>th</sup> houses. Being 8<sup>th</sup> house lord, it became a Maraka too, apart from being “natural” Maraka. Thus the **Chhadakas** for Saturn are 2<sup>nd</sup> and 12<sup>th</sup> houses.

Overall, for this native, **the houses that have a “major” impact in his life are 2<sup>nd</sup>, 10<sup>th</sup> and 12<sup>th</sup> houses.**

# Sastry Karra's Astrological Series

Second House :- With Saturn being 7<sup>th</sup> house lord residing in Lagna, and Moon in 7<sup>th</sup> house from Lagna, Moon being the Lagna lord, there is a “parivarthana Yoga” between Saturn & Moon. Thus, 7<sup>th</sup> house lord and Matru-Karaka are inter-connected. Since 2<sup>nd</sup> house need to be spoiled, Native had chosen to marry a Muslim (inter-religion) and start a family. With Mars residing in 2<sup>nd</sup> house from Lagna and 8<sup>th</sup> house from Moon, the cause of death should be violent and wounds caused by accident, in a war or assassination.

Tenth House :- This house stands for Career and Professional growth. During the native's extensive political career, there were a number of hurdles, disappointments, loss of power, cheating to maintain power etc. are all clearly visible. Mars the lord of 10<sup>th</sup> house is already residing in 2<sup>nd</sup> house spoiled by Saturn.

Twelfth House :- This house deals with hospitalization. Saturn being 7<sup>th</sup> and 8<sup>th</sup> houses lord, made the death of the native after being “hospitalized”. Since Jupiter is lord of 6<sup>th</sup> house, the death should be due to illness. Eighth house also deals with wounds, thus illness resulting due to wounds. Her death clearly depicts the above conclusion.

Also, 12<sup>th</sup> house deals with “**Pleasures of Bed**“. Since 7<sup>th</sup> house lord Saturn too spoiled this house, the desire to get married to a different

# Sastry Karra's Astrological Series

*religion/race/caste boy got amplified. With Jupiter the karaka for Marriage for Women & Karaka for children also spoiled this house, there by both planets made sure that the native marries and have kids from a socially unacceptable boy.*

## Example 3: Mr. Barack H Obama, President USA.

|            |            |                                                                             |    |                |

# Sastry Karra's Astrological Series

In this chart;

- Jupiter is in 8<sup>th</sup> house, owning 8<sup>th</sup> and 11<sup>th</sup> houses. Being 8<sup>th</sup> house lord, it became a Maraka too. Thus the **Chhadakas** for Jupiter are 7<sup>th</sup> and 9<sup>th</sup> houses. Since, Jupiter is residing in its own house, the 12<sup>th</sup> house from its Natal position will be the only Chhadaka (ie. 7<sup>th</sup> house from Lagna).
- Saturn is in 11<sup>th</sup> house, owning 10<sup>th</sup> and 9<sup>th</sup> houses. Thus the **Chhadakas** for Saturn are 10<sup>th</sup> and 12<sup>th</sup> houses.

Overall, for this native, **the houses that have a “major” impact in his life are 12<sup>th</sup>, 10<sup>th</sup> and 7<sup>th</sup> houses.**

For this native, Jupiter Mahadasa is between 1987-12 and 2003-12, then Saturn's Mahadasa began. **The Chhadaka power of Saturn (spoiling 10<sup>th</sup> house) is clearly visible during Saturn's period.** The Chhadaka power of Jupiter (spoiling 7<sup>th</sup> house) is “unknown” to the general public.
